

Product Change Notice (PCN)

Date: 3/28/2019

PCN Number: PCN-0450965R-01

To Our Customers:

We appreciate your use of our products. Our commitment in maintaining and improving processes is demonstrated by plans to enhance our product quality, reliability, and manufacturability. The purpose of this notice is to inform you of a product change.

Product(s) Affected: *MJ1-2503A*

Reason(s) for Change: *The existing mold of MJ1-2503A (shared plastic mold) will become unable to maintain efficient production. To ensure continued quality and lead-time of production, a new mold is in progress as a replacement. We have taken this opportunity to also optimize the product design to enhance the quality.*

The new mold will optimize the design and enhance the appearance while electrical structure and function will remain the same (comparison photos are available below).

Description of Change: *Comparison photos are available below*

Affected Date Code: *August 31, 2019*

Product Availability: *Currently available*

Additional Information: *No change to fit, or function*

PCN Approval:

Operations/Quality

A handwritten signature in black ink, appearing to read "Sam Wood", is written over a solid horizontal line.
