

## Product Change Notice (PCN)

**Date:** 2/6/2019

**PCN Number:** PCN-0451176R-01

To Our Customers:

We appreciate your use of our products. Our commitment in maintaining and improving processes is demonstrated by plans to enhance our product quality, reliability, and manufacturability. The purpose of this notice is to inform you of a product change.

Product(s) Affected: *PJ-046, PJ-046H*

Reason(s) for Change: *The existing mold of PJ-046 and PJ-046H (shared plastic mold) is unable to maintain an efficient production level. In order to maintain quality and lead-time of production, a new mold has been developed. We have taken this opportunity to optimize the product design and to enhance the quality of the overall process. The new mold will enhance the appearance and the electrical structure while maintaining fit, form, and function of the final product.*

Description of Change: *Photos of changes included below. PJ-046H center pin (pin 1) is changed from nickel plating to silver plating.*

Affected Date Code: *7/31/2019*

Product Availability: *Currently available*

Additional Information: *No change to form, fit, or function*
