

# SERIES: CDM513 | DESCRIPTION: M5 CABLE

#### FEATURES

- M5 molded male cable connector
- A Code
- straight
- IP67
- 1, 2 & 3 meter length options

## **SPECIFICATIONS**

| parameter                  | conditions/description        | min | typ | max | units  |
|----------------------------|-------------------------------|-----|-----|-----|--------|
| rated voltage              |                               |     |     | 60  | V      |
| rated current              |                               |     |     | 1   | А      |
| withstanding voltage       | for 1 minute                  |     | 600 |     | Vac    |
| contact resistance         |                               |     |     | 5   | mΩ     |
| insulation resistance      | at 500 Vdc for 1 minute       | 100 |     |     | MΩ     |
| insertion/withdrawal force |                               | 0.3 |     | 1.5 | kgf    |
| operating temperature      |                               | -25 |     | 80  | °C     |
| life                       |                               | 100 |     |     | cycles |
| safety approvals           | compliant with IEC61076-2-105 |     |     |     |        |
| flammability rating        | see material table            |     |     |     |        |
| RoHS                       | yes                           |     |     |     | ·      |
| IP level                   | IP67 (in mated condition)     |     |     |     |        |
|                            |                               |     |     |     |        |
